

How to find us

By car from the M4

- Leave the M4 at Junction 29 and follow signs for A48(M) towards Cardiff E&S.
- Leave the A48 after approximately 4 miles, taking the exit for the A4161/Docks, and bear left at the roundabout onto A4161/Southern Way.
- Keep over to the left and continue down to the roundabout (do not pass up over the fly over heading Docks), take the 2nd exit onto A4161/Newport Road.
- Continue straight on for approximately 1.5 miles - the road narrows to a single lane for a short distance.
- When the road opens out again turn left at the next major set of traffic lights into Fitzalan Place/A470 (Cardiff Royal Infirmary on your left).
- Follow this road, bearing right at the lights. Continue ahead, passing Cardiff Prison on the right.
- Take the next left at the lights into Bute Street.
- Pass under a railway bridge (ING Direct is now on your right) and turn right at the 2nd set of traffic lights.
- Continue bearing right around Callaghan Square (you will see a water feature in the square) until you have Eversheds/ING Direct building on your left.
- Take the turning on your left into Hope Street (between the two companies).
- ING Direct has a private car park on the left and shares the building with Eversheds. There are two ING Direct visitor spaces and these must be booked by contacting reception on 01189 381800 (ext 81800).

By train

- Nearest train station is Cardiff Central – approximately 6 minutes walk away.
- Upon arrival at the station, leave via the rear exit (you will see AA & Lloyds TSB).
- ING Direct and Callaghan Square are behind the new development office block in front of you.
- Pass to the left of this building, staying this side of the main road and you will see the office.
