We're always on hand to help you make the most of your money

Our rates are great, our accounts are easy to open and manage, and there's always a friendly voice at the end of the line if you need to talk to us. That's saving as it should be.

Your savings are in good hands

ING Direct is wholly owned by the ING Group, which is one of the largest financial institutions in the world. Millions of customers worldwide trust ING Direct with their money.

We've made opening an account really easy

Apply online now at ingdirect.co.uk, call us on 0800 376 6666 or fill out the enclosed application form. It only takes a few minutes, and the sooner you get going, the sooner your money could be working harder for you.

Keeping it simple

- Everything we do is designed to be simple, straightforward and hassle free
- We give you a choice - manage your account by phone or online
- We think any amount is worth saving so you can open an account from just £1
- Our award-winning UK call centres are always ready to help

Some things to bear in mind:

- If you open an account online you'll need to set a Personal Identification Number (PIN) and Memorable Date. If you open an account using the application form or over the phone we'll send you a temporary PIN in the post and you can change it to another number of your choice later on. Memorise these as you'll need them whenever you want to access your account
- We may need to write to you and ask for a bit more information before we can open your account. Don't worry, this is just to satisfy regulatory requirements and as soon as we get the necessary documents, we'll send you your ING Direct customer number

- If you already have an ING Direct Savings Account and would like to open another account in joint names, you will need to complete all sections on the enclosed application form
- If you are opening your first ING Direct Savings Account in joint names you can either complete the enclosed application form or go to ingdirect.co.uk and select to open a joint account

Helping you make the most of your savings

- We never forget it's your money so you can move it whenever you like
- Interest is calculated daily and paid monthly
- We're here to help you reach your savings goals with our Regular Saver plan
